Fiscal Impact: Total programmed federal funding is \$5,079,000 in the State Transportation Improvement Program (STIP). Federal reimbursement of 88.53 percent is funded with STIP federal funds. Departments: Human Resources

Persons Appearing Before the Board: Steven Rose, HR Director, Vincent Galindo, Morgan Stanley

15 minutes

To strengthen governance and reduce fiduciary exposure, staff conducted a Request for Proposals/Qualifications (RFP/RFQ) process to secure independent fiduciary advisory services. The selected fiduciary will advise and serve as an independent fiduciary to the County in administering the 457(b) and 401(a) plans. Vincent Galindo from Morgan Stanley will brief the board (slides attached) on the services Morgan Stanley will provide the County.

Recommended Action: (1) Approve the Professional Services Agreement with Morgan Stanley, to provide independent fiduciary services for the County's 457(b) and 401(a) plans in the amount of \$25,000 annually, effective April 15, 2026; and (2) Approve the attached Appropriation Transfer Request (ATR) to fund the first year of the agreement from the General Fund.

Fiscal Impact: This is a request for additional funding from the general fund in the amount of \$25,000 to fund the first year of this Morgan Stanley contract. This was not anticipated during budget development since Mono County Human Resources recently decided to change fiduciaries. The annual contract cost is \$25,000. First Year Funding (FY 2025–26): The first year of services (effective April 15, 2026) will be funded from the General Fund and requires approval of the attached Appropriation Transfer Request (ATR) with an ask from contingency. Subsequent Years: Beginning in FY 2026–27, the annual cost of fiduciary services will be funded directly by plan participants through plan administrative fee structures, resulting in no ongoing impact to the County General Fund. A signed ATR is attached to this item.

D. Pack Fire Funding

Departments: Finance

Persons Appearing Before the Board: Stephanie Trujillo

10 minutes

The State has approved California Disaster Assistance Act (CDAA) funding at 75 percent for the Phase II debris-removal process. To provide sufficient upfront funding for debris-removal costs while awaiting CDAA state reimbursement, staff recommends allocating \$3,500,000. This would allow work to start and then process drawdown requests for reimbursement. As well as cover the 25 percent county share of \$825,000.

Recommended Action: Approve the funding plan and corresponding ATR for the Pack Fire debris cleanup Phase II.

(1) \$1,000,000 from the Disaster Assistance Fund Balance

(2) \$1,500,000 from General Fund Contingency

(3) \$1,000,000 from General Reserves

Fiscal Impact: To provide sufficient upfront funding for debris-removal costs while awaiting state reimbursement, staff recommends approving the attached ATR that would take funds from General Fund Contingency, Disaster Assistance Fund Balance, and General Reserves. This would total \$3,500,000, which is higher than the estimate provided by the DRC but leaves a contingency in the budget for unexpected costs should they arise. As CDAA reimbursements are received, staff will return funds to both the General Fund Contingency and General Reserves.
